### CONDITIONS OF PERMIT

#### OPERATION:

1. This facility is permitted to receive solid waste as defined in G.S. 130A - 290(35), except that hazardous and liquid wastes are prohibited from acceptance at this facility.
2. This facility may receive solid waste that is generated within the service area described in Appendix I of this document and shall dispose of said solid waste at the Allied Waste Industries, Inc. Landfill located in Brunswick County, Virginia.
3. This permit shall be reviewed every five (5) years, consistent with 15A NCAC 13B .0201 (e), on or before 30 March 2010. Modifications shall be in accordance with the Rules in effect at the time of review.
4. This permit is for operation of the transfer facility in accordance with the approved plans and the approved Operational Plan prepared by Marlowe, Dreitzler & Associates, dated 24 November 1997. Any revisions or modifications to these plans shall be approved by the North Carolina Solid Waste Section. This permit is not transferable.
5. Operation of the facility shall occur in accordance with 15A NCAC 13B .0402, "Operational Requirements for Transfer Facilities", the approved operations plan prepared by Marlowe, Dreitzler & Associates and these additional requirements:
  - a. The owner or operator of a municipal solid waste management facility shall not knowingly dispose of any type or form of municipal solid waste that is generated within the boundaries of a unit of local government that by ordinance:
    1. Prohibits generators or collectors of municipal solid waste from disposing of that type or form of municipal solid waste.
    2. Requires generators or collectors of municipal solid waste to recycle that type or form municipal solid waste.

CONDITIONS OF PERMIT

OPERATIONS:

- b. On or before 1 August(or at an earlier date as requested by the Division), the owner or operator shall report to the NC Solid Waste Section, for the previous year beginning 1 July and ending 30 June, the amount by weight of the solid waste that was received at the facility and disposed of in a landfill, incinerated, or converted to fuel. To the maximum extent practicable, such reports shall indicate by weight the COUNTY of origin of all solid waste. The owner or operator shall transmit a copy of the report to the county in which the facility is located and to each county in which waste originated.
- c. Waste shall not be stored on the "tipping floor" after operating hours. Waste can be stored in transfer trailers, at the facility with covers in place, after operating hours, but no longer than 48 hours.
- d. The transfer facility shall be maintained in a sanitary, clean condition after operating hours in accordance with the approved Operational Plan prepared by Marlowe, Dreitzler & Associates dated 24 November 1997.
